ANNUAL REPORT 2010

Dear Friends,

In 1993, the Cornelia Connelly Center opened in response to the grave lack of educational opportunities for girls living in poverty on the Lower East Side. At that time, we were one of the small groups of educators around the country who believed that we had to act; we were not going to wait for Superman to save our children. Today, the education crisis is front and center on the national, state and city scenes. It is our sincere hope that our country will summon the collective will to provide every child with a first-rate education.

Here on East 4th Street, we bring twenty new 5th grade girls into our CCC community every year to join the returning 6th, 7th and 8th graders in the Middle School and the 60 high schoolers in the Graduate Support Program. What a joy it is to watch their bright smiles as they climb to the 3rd and 4th floors each day. Along with challenging academic work, each class ponders a theme for the year: 5th, courage; 6th, confidence; 7th, cheerfulness; 8th, leadership. Our message to our girls: Be brave, be strong and faith-filled, be joyous, and lead the way to a better neighborhood, a better city, and a brighter future for all. I hope you will share our pride in the efforts of these young girls and their dedicated teachers and staff. Your generosity and belief in our mission makes their success possible.

Our entire community of students, families, teachers, staff and trustees send you resounding thanks.

With gratitude,

Constance M. Bush
Director

Thank You

We are especially grateful to the Society of the Holy Child Jesus for its loyalty to our Center since its creation in 1993. The Society's support, financial contributions and sponsorship of our program have been key to our achievements.

We also thank the following loyal and new supporters of the Center who gave during the 2010 Fiscal Year (September 1, 2009–August 31, 2010). We have made every effort to include all of those who have contributed funding, services and materials and sincerely regret and would like to know about any inadvertent omissions or errors.

Cornelia Connelly Center offers outstanding educational programs for girls from low-income families on the Lower East Side of New York City. We help girls develop the aspirations, confidence, skills and values to fulfill their own potential and prepare for responsible roles in society.

Connelly Middle School of the Holy Child, the cornerstone of the Center, provides a comprehensive, individualized course of study in an intentionally small, secure, and challenging environment. The Graduate Support Program continues our involvement with alumnae through high school with financial assistance, tutoring, college counseling and a network of support. In 2003, our first graduates completed college, most as the first in their families to earn a degree.
